SAVE THE CHILDREN PHILIPPINES

Save the Children Philippines believes every child deserves a future.

In the Philippines and around the world, we work every day to give children a healthy start in life, the opportunity to learn and protection from harm. When crisis strikes, and children are most vulnerable, we are always among the first to respond and the last to leave. We ensure children's unique needs are met and their voices are heard. We deliver lasting results for millions of children, including those hardest to reach.

We do whatever it takes for children – every day and in times of crisis – transforming their lives and the future we share.

FIVE EASY WAYS TO CHANGE CHILDREN'S LIVES

1. Share the link of your Simply Giving page with your family, friends, office mates, boss, and neighbors!

2. Make it personal and regular. Post about your fundraiser at least twice a week and share your progress.
3. Share your joys and pains. Let people know how you're doing. Your donors would surely love to hear that you've reached the halfway mark and could be the start of a renewed excitement. Don't be shy about telling people regarding your challenges. Solicit ideas about improving the campaign.
4. Engage and inspire people with your stories! These can be success stories or how you overcame challenges.
5. We're here to help you. Questions, comments, requests for more photos? Get in touch at +632-929-754-3066 and supportercare.ph@savethechildren.org.
